RE: *Washington Utilities and Transportation Commission v. Business Discount Plan, Inc.*

Commission Staff's Letter Confirming Non-Compliance UT-170435

Dear Mr. King:

On June 26, 2017, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket UT-170435 against Business Discount Plan, Inc. for ten violations of Washington Administrative Code (WAC 480-120-382), which requires telecommunication companies to furnish annual reports and the regulatory fee to the commission no later than May 1 each year. Business Discount Plan, Inc. had the option to have \$750 of the \$1,000 penalty suspended on the conditions that: (1) Business Discount Plan, Inc. files a complete annual report, including financials; and (2) pays any outstanding regulatory fee; and (3) pays the \$250 portion of the penalty that is not suspended within 15 days of the receipt of the Penalty Assessment Notice. The Penalty Assessment further states that if Business Discount Plan, Inc. does not meet these three conditions, the \$750 suspended portion of the penalty will become immediately due and payable.

After reviewing commission records, staff confirmed on August 11, 2017 that Business Discount Plan, Inc. has not: filed a complete annual report; paid the outstanding regulatory fee; nor paid the \$250 unsuspended portion of the penalty. As Business Discount Plan, Inc. has not complied with all of the conditions under which the Commission suspended \$750 of the \$1,000 penalty assessment, it is staff's recommendation that the suspended \$750 penalty be imposed.

A complete annual report has not been filed with the commission, nor has the regulatory fee been paid. The Commission may also initiate proceedings under WAC 480-121-060 to revoke your authority to provide telecommunications services in Washington.
