To Whom It May Concern,

Evergreen Healthcare in Kirkland, WA, is requesting a contiguous block of 10,000 DID numbers for our phone system. Our rapid growth over the past few years is forcing us to upgrade our dialing plan because we have run out of numbers.

We will be implementing all 10,000 numbers within a six month timeframe of being granted the block of numbers.

Please do all in your power to expedite this request.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Dwight".
