**Re: Docket No. UE-171200 (Advice No. 2017-26) – Do Not Redocket
Electric Tariff Filing - Filed Electronically**

Dear Mr. King:

Puget Sound Energy (“PSE”) hereby submits in connection with Docket No. UE-171200 the following tariff sheet to replace the tariff sheet accompanying PSE’s December 20, 2017 filing which was submitted under PSE’s Advice No. 2017-26.

This filing includes the following portion of PSE’s WN U-60, Tariff G for electric service:

14th Revision of Sheet No. 87 - Schedule 87: Income Tax Rider-Contributions in Aid of Construction

The purpose of this substitute tariff filing is to incorporate certain provisions of the 2017 federal tax reform bill that became effective on January 1, 2018, at the request of the WUTC Staff.

This substitution is provided for in WAC 480-80-111(a) as the revisions address concerns of the Commission with the pending tariff sheet. These tariff changes do not increase recurring charges or restrict access to services. Posting of the proposed tariff change, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail access in accordance with WAC 480-100-193. In addition, a customer will receive an individual notice through the quoted price prior to incurring the Schedule 87 charge.
