**Regarding: UG-180818, Supplemental Filing  
Advice No. CNG/W18-09-04**

On September 26, 2018, Cascade Natural Gas Corporation (“Cascade” or the “Company”) submitted Advice No. W18-09-04. The Company now supplements this filing with the following replacement sheets, which are stated to become effective with service on and after December 1, 2018:

- Seventy-Eighth Revision Sheet No. 500
- Fifty-Seventh Revision Sheet No. 500-A
- Fifth Revision Sheet No. 500-B
- Second Revision Sheet No. 500-C

This replaces all the sheets in the initial September 26, 2018 filing.

The tariff revision identifies the actual rates charged to customers in the following cities:

- |                  |                  |
|------------------|------------------|
| • Anacortes      | • Port Orchard   |
| • Blaine         | • Prosser        |
| • Bremerton      | • Sedro Woolley  |
| • East Wenatchee | • Toppenish      |
| • Kelso          | • Woodland       |
| • Kennewick      | • Yakima Tier I  |
| • Moses Lake     | • Yakima Tier II |

The tariff revision will allow Cascade to pass through tax assessments by municipalities to ratepayers on a going forward basis.

The tariff also provides a footnote explaining the difference between the customer's billed rate and the city ordinance rate.
