RE: Rabanco Ltd. / Lynnwood Disposal Tariff filing

Dear Mr. Somers,

Enclosed please find a copy of the transmittal letter notifying the Washington Utilities & Transportation Commission (WUTC) of a proposed recycling processing rate surcharge renewal to WUTC Tariff No. 4 for Rabanco Ltd, Certificate G-12, (dba Lynnwood Disposal). This surcharge will be in effect for 180 days. And, depending on the changes in the volatile recycling market, could be renewed either higher or lower than the initial increase. The service area of this company covers Snohomish County.

Sincerely,
