Dear Mr. Johnson:

Harrison Water Company/Kiona, LLC wishes to file for a fee increase for some of our Ancillary Charges on Schedule X of our existing tariff filed with the Commission on March 1, 2008. Attached are the following documents:

1. Customer notice about regulation that we mailed on February 15, 2019
2. Support documentation for our NSF charges.

We understand there is a review period of up to 30 days and our tariff should become effective at the end of that time. This water system has been previously regulated by the Commission.

Please call me at 1-509-627-2937 if you have any questions.

Sincerely,
Tom Harrison
