Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 14; TG-190150

Please find enclosed replacement tariff page 25 for the above-referenced docket. The purpose of this replacement page is to correct a clerical error. The service rate for the 1 64-gallon cart service every other week was intended to be the same rate as that for 2 35-gallon carts every other week that was approved in TG-181016. Accordingly, we are requesting that this rate be corrected as intended. Please do not re-docket.

.If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
