Judge Pearson,

You Got It Movers has waived its right to tomorrow's brief adjudicative proceeding, pertaining to both the Notice of Intent to Cancel (TV-190808) and the yet to be consolidated Penalty Assessment (TV-190809). Staff recommends that the Commission cancel tomorrow's brief adjudicative proceeding.

Staff will also be filing its evaluation of You Got its Mover's Safety Management Plan that it submitted today and a recommendation as to the penalty amount in TV-190809. Staff will also be recommending that Dockets TV-190809 and TV-190808 be consolidated.

Thank you,

Joe Dallas

Mr. Moseley,

As per our conversation, you responded to your penalty assessment with a request for mitigation and requested a hearing. We have received your response to waive your right to a hearing following the acceptance of your safety management plan, but we failed to address the penalty. Can you

confirm that you waive your right to a hearing regarding the mitigation of your penalty?
