RE: *In the Matter of the Petition of Puget Sound Energy for a Declaratory Order Approving the Avoided Cost Rate Methodology for Power Purchases from Schedule 92 Large Qualified Facilities per WAC 480-106-050(5),*
Docket UE-191062

TO ALL INTERESTED PERSONS:

On December 31, 2019, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) a Petition for Declaratory Order (Petition) in Docket UE-191062. PSE requests that the Commission approve its Avoided Cost Methodology (ACM) for PSE's Schedule 92 power purchases from large qualified facilities of greater than five megawatts, as described in Exhibit A to the Company's Petition.

WAC 480-106-050(5) provides that "Each utility shall file and obtain commission approval of its avoided cost rate methodology for qualifying facilities with capacity greater than five megawatts." The Petition seeks Commission approval of PSE's proposed ACM through a declaratory order.

THE COMMISSION GIVES NOTICE That any interested persons may respond to the Petition by filing a written response with the Commission no later than Tuesday, January 21, 2020, at 5 p.m.
