Re: UG-200182 - Schedule C—Miscellaneous Charges – Change in Effective Date

On March 13, 2020, NW Natural Gas Company dba as NW Natural (NW Natural or Company) filed proposed tariff changes with a requested effective date of March 27, 2020, with less than statutory notice and the required LSN information provided in that filing. Because of the special public meeting called for March 17, 2020, NW Natural respectfully requests an effective date for the tariff filing in this docket to be March 17, 2020.

All other information, including the proposed tariff sheet, in the March 13, 2020 filing remains the same.

Conclusion

NW Natural respectfully requests that the Commission approve this tariff change to become effective on March 17, 2020, with less than statutory notice

In accordance with WAC 480-90-193 and WAC 480-90-195(3), copies of this letter and the attached filing are available in the Company’s main office in Portland, Oregon, and on its website at www.nwnatural.com.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

Please address correspondence on this matter to me with copies to the following:
