Re: Need for additional TN's

We are requesting the following for consideration:

- 1. Location of service and reason for the specific request:**
- 2. Quantity of TNs customer requires and (if applicable) any existing TNs that will be**
- 3. Date customer wants TNs available for service and the date they will actually be used.**
- 4. If required by the customer: Specific TN range requirements, and why those ranges are needed**
- 5. If required by the customer: Specific NXX requirements/restrictions, and the reason for the specific request.**

Please let me know if you have any questions regarding this request and if you need additional information regarding this request.

Sincerely,
