RE: Docket No. TS-200482, "Public Notice" for the request for a revision to Time Schedule No. 36, for Lake Chelan Boat Company, Certificate No. 34. Please do not re-docket

To Whom It May Concern,

The "Notice to the Public" document is being submitted, along with this letter, through the UTC portal. It was inadvertently missed when the original filing documents were uploaded. This notice was posted on 5/27/20 as required. We were not aware of this until Andrew Roberts (UTC Analyst) advised us of it today.

Thank you for your understanding and assistance.

Sincerely,
Reed Courtney
