Dear Residential Customer,

July 21, 2021

This is to notify you of a proposed rate change for residential customers in the Lynnwood Disposal areas of Snohomish County. Should the Washington Utilities and Transportation Commission (Commission) approve our request customers will experience adjustments to all services provided by Lynnwood Disposal as outlined in the table below.

As you may know, it has been more than a year since our last general rate case. In that time Lynnwood Disposal has experienced increases in costs that are key to delivering our services, including labor, fuel, and maintenance costs. **If approved, the proposed rates will become effective September, 1, 2021.**
