UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of Determining the Proper
Carrier Classification of, and Complaint
for Penalties Against:

ANTHONY CHILELLI
D/B/A AD HAULING SOLUTIONS, LLC

DOCKET TG-210673

DECLARATION OF
KATHRYN MCPHERSON

Kathryn McPherson, under penalty of perjury under the laws of the State of Washington, declares as follows:

1. I am employed by the Washington Utilities and Transportation Commission (Commission) as an investigator in the Solid Waste Enforcement program within the Transportation Safety Division. As an investigator, my responsibilities include conducting investigations regarding the business practices of regulated transportation companies. As part of those duties, I investigate transportation companies that may be operating without the required Commission-issued certificate.
2. On August 6, 2019, I witnessed AD Hauling Solutions, LLC (AD Hauling or Company), at the North County Recycling & Transfer Station in Arlington, Washington. The Company was at the facility disposing of solid waste. I provided educational information to the Company employee.
3. On August 6, 2019, I researched the Company's licensing. I discovered the Company was registered with Washington Department of Revenue, and has a unified business number of 604-146-883.¹ I reviewed Commission records to determine if AD Hauling had authority to operate as a solid waste carrier in the state of Washington. I learned that the Commission has no record of the Company.
4. On August 23, 2019, Staff sent a letter to AD Hauling at 8225 172nd St NE, Arlington, Washington, 98223, stating that I believed the business was in violation of Commission rules by operating as a solid waste carrier without the required certificate.² The letter outlined allowable activities for a company operating without a certificate.
5. On August 24, 2021, I discovered AD Hauling was advertising for solid waste services on Facebook social media.³ I researched the Company website and discovered

² See Attachment B for a copy of the compliance letter dated August 20, 2019, sent to Anthony Chilelli.

³ See Attachment C for a copy of Facebook social media advertisement.

www.adhauling.com for the Company.⁴ The Company advertises on its webpage for trash removal and rubbish removal.

6. On August 24, 2021, using a fictitious name, I messaged AD Hauling on Facebook Messenger to solicit a solid waste pick up from the Company, requesting a pick-up for 10 bags of trash. I stated I had cancelled my garbage service and needed my trash picked up.⁵ The Company responded asking for me to call or text 425-247-3436. I texted the number a message with a photo asking to haul my garbage. The Company responded it would do the pick-up for \$35.⁶

DATED this 25th day of October, 2021, at Lacey, Washington.

Dear Mr. Chilelli and Mr. Moore:

The Washington Utilities and Transportation Commission (commission) recently visited the North County Transfer Station to provide educational materials and offer technical assistance to companies transporting solid waste. Commission staff wants to ensure that your company has a clear understanding of the laws and rules surrounding the transportation of solid waste.

Solid waste collection includes residential and commercial garbage, residential recycling, yard waste, and drop box service. Companies operating as a solid waste transporter without the required operating authority may be subject to a penalty of \$1,000 per violation.¹ Until a company obtains a solid waste hauling certificate it must immediately cease and desist from operating or advertising as a solid waste transporter in Washington.

Solid waste collection does not include collecting or transporting solid waste as part of incidental waste from a residential or commercial project your company is working. The hauling must be loaded and hauled by your employee, using company-owned equipment.

Solid waste hauling does not include recyclable material from a drop-box or recycling buy-back center, or collecting or transporting recyclable materials by or on behalf of a commercial or industrial generator of recyclable materials to a recycler for use or reclamation.²

Solid waste definitions subject to jurisdiction from the commission include the following per Washington Administrative Code 480-70-041:

¹ Revised Code of Washington 81.04.380

² Revised Code of Washington 81.77.010

"Solid waste" or **"solid wastes"** means all putrescible and nonputrescible solid and semisolid wastes including, but not limited to:

- Garbage; Rubbish; Refuse; Swill; Ashes; Industrial wastes; Sewage sludge;
- Demolition and construction wastes;
- Abandoned vehicles or parts of abandoned vehicles; and
- Source-separated recyclable materials collected from single and multifamily residences.

"Construction debris" or **"construction waste"** means solid waste resulting from the building or renovation of buildings, roads and other man-made structures. Construction debris includes, but is not limited to, materials such as plasterboard, cement, dirt, wood, and brush.

"Demolition waste" or **"demolition debris"** means solid waste resulting from the demolition or razing of buildings, roads and other man-made structures. Demolition waste includes, but is not limited to, concrete, brick, bituminous concrete, wood and masonry, composition roofing and roofing paper, steel, and minor amounts of other metals like copper.

"Yard waste" or **"yard debris"** means plant material commonly created in the course of maintaining yards and gardens and through horticulture, gardening, landscaping, or similar activities. Yard waste includes, but is not limited to, grass clippings, leaves, branches, brush, weeds, flowers, roots, windfall fruit, and vegetable garden debris.

Enclosed is a copy of the information provided to your staff on August 6, 2019. Please contact Kathryn McPherson, Solid Waste Investigator, if you have questions regarding compliance with solid waste transportation laws. Ms. McPherson can be contacted via email at Kathryn.McPherson@utc.wa.gov, phone (360) 664-1108, or mail to PO Box 47250, Olympia, WA 98504.

Sincerely,

Mathew Perkinson

HASSLE TRASH REMOVAL.
CLEAN & TIDY.**

AD Hauling Solutions is your stress-relieving answer to junk, trash removal, and property clean up. We are a hard-working, professional team that takes leaving your area clean very seriously. We specialize in clean ups for homeowners, landlords, property managers, construction sites and remodels, estates and probate situations, hoarders, flippers, and contractors. We'll clean out your garage and empty out estates. We can even remove large vehicles, boats, and RVs.

LOCALLY OWNED

We pride ourselves to be locally owned and operated. Knowing the people in our community is important to us.

NO HASSLE

Hassle quote, hassle free setup, hassle free clean up. We like to be straight as possible and deliver what we say we're going to deliver. Which is great work!

CLEAN & TIDY

When we say clean, we mean it. Why have a junk removal company come in if anything isn't clean? We want you to have peace of mind after we are done with your clean up. Tidiness is key!

WHAT OUR CUSTOMERS SAY ABOUT US

ALAN THORNHILL

These guys are great. They are quick, clean, professional, customer service oriented, and very fairly priced. What would have taken me an entire day to do with a friend and a truck they did in an hour. I will absolutely recommend them to my friends and give them a call anytime I need anything hauled! Thanks again AD Hauling!

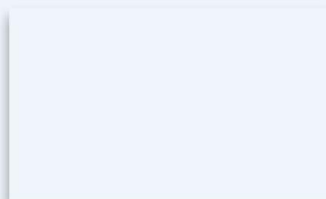

MIKE WHITEIS

A month ago The guys were very professional and prompt with removing some unwanted large furniture and electronics. They also explained that as many items as possible are recycled to keep them out of a land fill. Very environmental! Recommend AD Hauling Solutions to anyone needing many and/or large items removed.
