Re: Basin Disposal of Yakima, LLC - G-45
B&O Tax Increase Recovery Filing

On behalf of Basin Disposal of Yakima, LLC - G-45, I am requesting the withdrawal of the waiver requested for WAC 480-07-520(4).

Per WAC 480-07-505(3)(c), “Filings for rate changes designed to recover only the costs a company incurs to comply with government actions that directly impact the company's costs to provide regulated service (e.g., changes to state or local fees, charges, or taxes directly related to the collection or disposal of solid waste)” do not generally initiate a general rate case proceeding. There is no waiver needed.

Respectfully,
