Regarding: **Notice Verification**

Docket Nos.: UG-220403, UG-220702, UG-220713, UG-220700, and UG-220699

On June 1, 2022, Cascade Natural Gas (“Cascade”) filed its annual filing to update the cost recovery mechanism with the Washington Utilities and Transportation Commission. On September 15, 2022, Cascade filed rate revisions to its purchased gas, conservation, decoupling, and true ups for impacts related to Federal income taxes adjustments. The proposed changes will affect all of Cascade’s Washington customers. Cascade serves approximately 200,356 residential, 27,285 commercial, and 511 industrial customers in the state of Washington.

In accordance with WAC 480-90-198, Notice Verification and Assistance, Cascade is providing the following statements: 1) it posted the above referenced filings by posting on Cascade’s website at www.cngc.com, and 2) it provided public notice in the form of a published notice in the beginning of October, which is 30 days of the requested effective date of November 1, 2022, in accordance with WAC 480-90-194. Cascade also provided a copy of the notice to news editors of area newspapers within Cascade’s territory.

If you have any questions, please direct them to me at (208) 377-6015.

Sincerely,

/s/ Lori A. Blattner
