

**2023 ELIGIBLE TELECOMMUNICATIONS CARRIER CERTIFICATION
REPORT AS REQUIRED BY WAC 480-123-060, WAC 480-123-070,
AND WAC 480-123-080
CENTURYTEL OF COWICHE, INC. D/B/A CENTURYLINK**

CenturyTel of Cowiche, Inc. d/b/a CenturyLink (“Company”) hereby submits the following report in accordance with WAC 480-123-060, WAC 480-123-070, and WAC 480-123-080.

WAC 480-123-060 Annual certification of eligible telecommunications carriers.

(1) Each ETC seeking certification of the ETC's use of federal high-cost funds pursuant to 47 C.F.R. § 54.314 must request certification by July 1st each year. The ETC must certify that all federal high-cost support provided to the ETC within Washington State was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. The certification must be submitted by a company officer in the manner required by RCW 9A.72.085.

RESPONSE: Certification attached as Exhibit A.

(2): The commission will certify an ETC's use of federal high-cost universal service fund support, pursuant to 47 C.F.R. § 54.314 only if the ETC complies with the requirements in WAC 480-123-070, and the ETC demonstrates that it will use federal high-cost funds only for the provision, maintenance, and upgrading of facilities and services for which the support is intended through the requirements of WAC 480-123-080.

RESPONSE: See responses to WAC 480-123-070 and WAC 480-123-080 below.

WAC 480-123-070 Annual certifications and reports.

Not later than July 1st of each year, every ETC that receives federal support from any category in the federal high-cost fund must certify or report as described in this section. The certifications and reports are for activity related to Washington State in the period January 1st through December 31st of the previous year. A company officer must submit the certifications in the manner required by RCW 9A.72.085.

(1) Report on use of federal funds and benefits to customers.

(a) The report must provide a substantive description of investments made and expenses paid with support from the federal high-cost fund.

The report must include the company’s gross capital expenditures and operating expenses made with federal high-cost support received by the ETC in the preceding calendar year along with a description of major projects and affected exchanges. A rate-of-return wireline ETC must also include a copy of its NECA-1 report for the preceding calendar year.

RESPONSE: The Company did not receive federal high cost funding in 2022. Therefore, this was not applicable.

(b) Every ETC must provide a substantive description of the benefits to consumers that resulted from the investments and expenses reported pursuant to (a) of this subsection.

RESPONSE: The Company did not receive federal high cost funding in 2022. Therefore, this was not applicable.

(2) Local service outage report.

(a) The report must include detailed information on any outage in the service area (during the prior calendar year) of at least thirty minutes in duration in which the ETC owns, operates, leases, or otherwise utilizes facilities, that potentially affect:

- (i) At least ten percent of the end users; or
- (ii) A 911 special facility, as defined in 47 C.F.R. § 4.5(e)

(b) Specifically, the eligible telecommunications carrier's annual report must include information detailing:

- (i) The date and time of onset and duration of the outage;
- (ii) A brief description of the outage and its resolution;
- (iii) The particular services affected;
- (iv) The geographic areas affected by the outage;
- (v) Steps taken to prevent a similar situation in the future; and
- (vi) The number of customers affected.

RESPONSE: Please see Confidential Exhibit B.

(3) Report on failure to provide service. The report must include the number of requests for service from potential customers within its designated service area that were unfulfilled during the prior calendar year. The ETC must also detail how it attempted to provide service to those potential customers.

RESPONSE: The Company reports that there were no outstanding requests for service from 2022 that are unfulfilled at the time of this filing.

(4) Report on complaints per one thousand connections (fixed or mobile). The report must provide separate totals for the number of complaints that the ETC's customers made to the Federal Communications Commission and the Consumer Protection Division of the Office of the Attorney General of the State of Washington. The ETC must also report the number of consumer complaints in each general category (for example, billing disputes, service quality).

RESPONSE: CenturyTel of Cowiche did not have any complaints during calendar year 2022 for the Federal Communications Commission or the Consumer Protection Division of the Office of the Attorney General of the State of Washington.

(5) Certification of compliance with applicable service quality standards and consumer protection rules. Certify that it met substantially the applicable service quality standards and consumer protection rules found in WAC 480-123-030 (1)(h).

RESPONSE: Certification attached as Exhibit A.

(6) Certification of ability to function in emergency situations. Certify that it had the ability to function in emergency situations based on continued adherence to the standards found in WAC 480-123-030 (1)(g).

RESPONSE: Certification attached as Exhibit A.

(7) Advertising certification, including advertisement on Indian reservations. Certify it has publicized the availability of its applicable telephone assistance programs, such as Lifeline, in a manner reasonably designed to reach those likely to qualify for service, including residents of federally recognized Indian reservations within the ETC's designated service area. Such publicity should include advertisements likely to reach those who are not current customers of the ETC within its designated service area.

RESPONSE: Certification attached as Exhibit A.

(8) Report filing alternatives. To the extent the company has filed a report with a federal agency that provides the data requested by the commission, the company can refer to that docket number and the date the information was filed with the commission.

WAC 480-123-080 Annual plan for universal service support expenditures.

(1) Not later than July 1st of each year, every ETC that receives federal support from any category in the federal high-cost fund must report the planned use of federal support related to Washington state that will be received during the coming calendar year. The report must include the company's planned gross capital expenditures and operating expenses made with federal high-cost support received by the ETC for the coming calendar year along with a description of major projects and affected exchanges.

Response: The Company did not receive federal high cost funding in 2022. Therefore, this was not applicable.

(2) The report must include a substantive plan of the investments and expenditures to be made with federal support and a substantive description of how those investments and expenditures will benefit customers.

RESPONSE: The Company did not receive federal high cost funding in 2022. Therefore, this was not applicable.

(3) As part of the initial ETC petition for federal high-cost support, and at least once every three years thereafter, a wireless ETC must submit a map in .shp format that shows the general location where it provides commercial mobile radio service signals.

RESPONSE: This is not applicable to the Company, as it is not a wireless ETC.
