NW Natural Gas Company, dba NW Natural (NW Natural or the Company), encloses for filing its Updated Work Plan for its 2025 Integrated Resource Plan (IRP). NW Natural previously filed its IRP Work Plan on May 1, 2024. The enclosed Work Plan Update provides revisions to the 2025 IRP Public Engagement and Schedule of Public Participation sections of the Work Plan. For completeness, the update also includes the Details on Topics for Technical Working Groups section, although there were no revisions or updates to that section.
