**RE: UE-250660 - Avista Utilities Tariff WN U-28, Schedule 64, Clean Energy
Implementation Rate Adjustment – Updated Cover Letter**

Dear Mr. Killip:

On August 29, 2025, Avista Corporation's, dba Avista Utilities (Avista or the Company) filed its proposed modifications to Tariff Schedule 64 – Clean Energy Implementation Rate Adjustment. The narrative of the Customer Impacts section in the Cover Letter included an inadvertent error of a \$0.02 monthly decrease for residential customers. This monthly decrease is actually \$0.03, which is supported in the workpapers and customer notification as provided in the original filing. This error has been corrected in the attached updated substitute to the original cover letter.

If you have any questions regarding this filing, please contact me at (509) 495-7950 or amanda.ghering@avistacorp.com.

Sincerely,

/s/ Amanda Ghering
