RE: Tariff Submittal, Tariff Number 23, for Murrey's Disposal Co., Inc./Olympic Disposal, G-9.

Dear Ms. Maxwell:

Our Company has been notified by Cowlitz County that the tipping fee will increase from \$29.28 to \$31.20 per ton, a 6.56% increase. We project this will increase revenue and expense for mill haul customers by approximately \$43,000 2.59%. There are 2 mill haul customers affected by this change.

The last general rate increase for Olympic Disposal mill hauls was approved by the Commission, January 28, 2022.

Attached are revised tariff pages and supporting documentation containing the revised rates. Tonnage and customer counts used in this calculation are from the audited workpapers of the last mill haul general rate case, TG-219012.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective July 1, 2023. Pursuant to WAC 480-70-271(2) (iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

Included in this filing is confidential information. To protect certain proprietary information, we are filing a portion of this filing as confidential, and are filing in accordance with WAC 480-07-160.
