- In person conversation with _____
- Telephone call to/from Dave Dorland ST 206/282-4200

RE: _____

- concerned - project has slipped for 3 years now. (actually 4)
 need to establish a schedule for obtaining financing; but, by
 - no mention of project in CER. seemed like an opportunity
 to communicate with customers.

- process after WUTC application can take 60 days - if
 all the financial records are available

CER (WAC 246-290-72007) must report on failure
 to install adequate disinfection system
 10/22/03 -

- going for a special assessment for improvements for public
 health reasons.

- is using our PEA (issued, unsigned) as a rationale
 to WUTC for approving the assessment
 our referred Dorland to Nov 5, 2001 and Dec 19, 2000
 letters that stated rationale for CT6 requirement
 (improved disinfection)

- Dorland sent different notice to customers about the
 improved disinfection requirement.
