Subject: NW Natural Former Koppers Basin Stormwater Pumping System Installation Report

Hi Wes,

Attached please find the *NW Natural Former Koppers Basin Stormwater Pumping System Installation Report* dated August 16, 2023, that has been prepared by Aponowich, Driscoll & Associates, Inc. on behalf of NW Natural. This report describes the details of the installation and operation of the pumping system installed within the former Koppers tank basin for the removal of the standing water condition at this location.

Please contact Terry Driscoll or Rob Ede with any questions.
