**NOTICE EXTENDING TIME FOR ENTRY OF FINAL ORDER**

RE: *In the Matter of Puget Sound Energy's Clean Energy Implementation Plan*, Docket UE-210795

TO ALL PARTIES:

On December 17, 2021, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) its Final Clean Energy Implementation Plan (CEIP) in Docket UE-210795.

On January 31, 2023, the Commission held an evidentiary hearing in this Docket. The parties subsequently filed post-hearing briefs on February 22, 2023.

Washington Administrative Code (WAC) 480-07-820(3) provides that the Commission will serve its final order within 90 days after the conclusion of a hearing or after the submission of final briefs, whichever occurs later. The rule further states that the Commission may alter the time for entering a final order for good cause. Due to increased workloads and competing deadlines, the Commission finds good cause to extend the deadline to file a final order in this proceeding by 14 days from May 23, 2023, to June 6, 2023.

THE COMMISSION GIVES NOTICE That the Commission extends the period for entry of a final order in this proceeding by 14 days to June 6, 2023.
