Subject: Alder Lake Community Water System Water System, ID #26995H,
Pierce County; Disinfection; DOH Project #01-0618

Dear Dave Dorland:

Our records indicate that approval for the above system was granted on **January 31, 2002**, and as of this date we have not received a construction report or Water Facilities Inventory report (if required for approval).

State regulation WAC 246-290-120(5) requires that within 60 days following the completion of and prior to the use of any project or portions thereof, for which plans and specifications have received approval of the Department, certification that the project has been installed in accordance with the approved plans and specifications shall be signed by a professional engineer and returned to this office.

Therefore, would you please indicate the project's current status and return this form to the address below.

1. Construction not started _____
2. Anticipated date to begin construction _____
3. Construction in progress _____
4. Expected completion _____
5. Project completed and certification will be returned _____
6. Additional comments: _____

Sincerely,

Ingrid Salmon
