Re: Upcoming Aldyl A Training Sessions per Docket PG-082253 (Update to 10/11/11 letter)

Dear Mr. Lykken:

This letter is being sent to update the commission with regard to the scheduled dates for upcoming Aldyl A Training Sessions in accordance with Docket PG-082253. In particular, we have now scheduled a training session for the Odessa Loy Clark Contractor Training as shown below.

Avista / Contractor Trainings

Thursday 11/10/11, 7:30 AM, Avista Odessa Service Center, 8 E. First Ave, Odessa, WA

Additionally, the Public Meeting Training that was held as part of the recent Underground Damage Prevention Seminar on 10/19/11 was successfully completed. We had a total of roughly fifty attendees including Alan Lundeen from the UTC.

Should you have any additional questions regarding these training sessions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Randy K. Bareither".

Randy K. Bareither, PE
Pipeline Safety Engineer
