Re: Docket Nos. TG-111672, TG-111674 and TG-111681, In re: Murrey's Disposal *et al.*

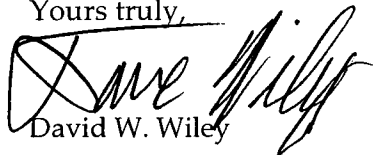

Dear Mr. Danner:

Following consultation by the parties regarding current deadlines and due to continuing discussions surrounding the parties' positions evolving from stakeholder sessions in January and March of this year and in light of the Interpretive and Policy Statement issued by the Commission on May 30, 2012, this is to request the following agreed extensions of the summary adjudication briefing deadlines in the three consolidated dockets referenced above.

- \* Initial briefs now to be filed Friday, October 26, 2012 with simultaneous reply briefs due Friday, November 9, 2012.

In light of these requested extensions, by this letter, the WCI Companies also formally request, pursuant to RCW 81.04.130, a further waiver of the suspension period in the above captioned proceedings, which would extend the deadline for action by the Commission on the suspended rates, from December 1, 2012 to January 1, 2013.

Yours truly,
