**NOTICE GRANTING MOTION FOR EXTENSION OF TIME**

Re: *In the Matter of the Application of WASTE MANAGEMENT, INC., d/b/a WM HEALTHCARE SOLUTIONS OF WASHINGTON For an Extension of Certificate G-237 For a Certificate of Public Convenience and Necessity to Operate Motor Vehicles in Furnishing Solid Waste Collection Services, Docket TG-120033*

TO ALL PARTIES:

On April 16, 2012, the Washington Utilities and Transportation Commission (Commission) issued Order 01 – Prehearing Conference Order in the above-referenced docket establishing a procedural schedule. On April 18, 2012, the Commission issued a notice revising the procedural schedule.

On May 9, 2012, counsel for Stericycle of Washington, Inc. (Stericycle) filed with the Commission a Motion for Extension of Time. Stericycle requests (1) a one-day extension of time to file a response to Waste Management’s Motion for Summary Determination, (2) a two-week extension of time to file initial briefs on preliminary legal issues; and (3) a ten-day extension of time to file responsive briefs. Stericycle states that the extra time is needed due to the recent filing by Waste Management of a Motion for Summary Determination and the scheduling complications created by that motion. Stericycle indicates that all parties have agreed to the requested extension. The Commission finds that Stericycle has demonstrated good cause to extend the filing deadlines and grants the request as follows:

<b>Event</b>	<b>Prior Deadline</b>	<b>New Deadline</b>
Response to Waste Management’s Motion for Summary Determination	May 24, 2012	May 25, 2012
Initial Briefs Due on Preliminary Legal Issue	May 31, 2012	June 14, 2012
Response Briefs Due	June 12, 2012	June 22, 2012

**PLEASE TAKE NOTICE That the Commission grants Stericycle's request for an extension of time and adopts the revised procedural schedule as indicated above.**

Sincerely,
