NOTICE OF BENCH REQUEST NO. 2
(Due by Tuesday, September 3, 2013)

RE: *Washington Utilities and Transportation Commission, Complainant, v. Murrey's Disposal Company, Inc., G-9, Respondent, Docket TG-130501, and*

Washington Utilities and Transportation Commission, Complainant, v. American Disposal Company, Inc., G-87, Respondent, Docket TG-130502 (consolidated).

The following bench request is directed jointly to Murrey's Disposal Company, Inc. (Murrey's); American Disposal Company, Inc. (collectively with Murrey's, the Companies); and the Commission's regulatory staff (Staff):

On August 1, 2013, the Companies and Staff filed a Settlement Agreement and supporting individual narratives. Staff's Narrative in Support of the Settlement Agreement (Staff's Narrative) lists various contested accounting issues that were resolved by the Settlement Agreement but does not elaborate on, or provide support for, the resolution of these issues.¹ The Companies' Narrative in Support of the Settlement Agreement likewise does not address these issues.

Bench Request No. 2: Pursuant to WAC 480-07-740(2)(b), the Companies and Staff should each provide the written testimony of at least one witness in support of the Settlement Agreement's proposals, including the resolution of the accounting issues enumerated within Staff's Narrative, and the costs and benefits of these proposals.
