This is my second time using the Bremerton-Kitsap Airporter service. I would not recommend using their services during rush hour traffic. I was notified 45 minutes after my scheduled pick up time on JBLM that the driver was just then leaving SEATAC, with passengers to drop off and pickup at the various JBLM stops. Due to my flight time, I had to make other arrangements because of the delay in services. No refunds for traffic delay, what an unfortunate clause.
