RE: Olympic Pipe Line Company,
v. Washington Utilities and Transportation Commission
Thurston County Superior Court No. 02-2-01420-5

Dear Clerk:

On September 23, 2003, the Respondent Washington Utilities and Transportation Commission filed its return in the above entitled matter. The Commission filed a supplemental return on February 14, 2003. The return consists of the relevant documents before the Commission when it made the decision that is under judicial review.

Because a protective order had not been entered, the Commission did not transmit certain documents designated by Olympic Pipe Line Company as "confidential." The Commission did include in the return it filed "placeholder sheets" to indicate where these confidential documents are to be located in the return.

On March 4, 2003, the court entered a protective order.

Accordingly, pursuant to the terms of that protective order, the Commission is herewith transmitting those documents designated confidential by Olympic. Please treat the documents consistent with the March 4, 2003 protective order.
