RE: *Northwest Telephone, Inc. v. Qwest Corporation*  
*Docket UT-053081*

TO ALL PARTIES OF RECORD:

RCW 80.01.060(3), as amended in the 2006 legislative session, provides that an Initial Order will become final without further Commission action if no party seeks administrative review of the Initial Order and if the Commission fails to exercise administrative review on its own motion.

The Initial Order entered today recommends approval and adoption of the parties' confidential Settlement Agreement and dismissal of NTI's complaint with prejudice. If you agree with this Initial Order, and you would like the Order to become final before the time limits expire, you may send a letter to the Commission, waiving your right to petition for administrative review.

Sincerely,

KAREN M. CAILLÉ  
Administrative Law Judge
