RE: Item 30 update to G-12 Tariff Number 8 for Rabanco LTD (dba Tri-County Disposal & Rabanco Recycling).

Dear Mr. King:

Please find attached tariff page revisions for G-12 Tariff Number 8 for Rabanco LTD (dba Tri-County Disposal & Rabanco Recycling). This proposed change in the tariff reflects the change in the verbiage to item 30, Limitations of Service. The attached adjusted tariff pages have been updated to reflect language approved by the commissioners on April 2, 2014. We are asking that this change become effective on April 11, 2014 and pursuant to commission order 03 we believe this does not require less than statutory notice. Also, please note that this tariff is currently under suspension subject to refund (TG-140086) and is expected to go into effect May 1, 2014 once approved at the April 24th open meeting.

If you have any questions please don't hesitate to contact me.

Sincerely,
