

ICNU Data Request 26.39

Please refer to GND-5T, page 18, lines 8-9 (Chehalis reserves.) Has the Company ever made any representations to regulators in any of the six states that it would install AGC on Chehalis? If so, please identify the instances when this occurred and the schedule the Company provided to regulators showing timelines for the installation of AGC.

Response to ICNU Data Request 26.39

The Company's filings on Chehalis have been consistent with the Company's previous expectation that it would carry reserves at Chehalis. However, none of these filings address the details of this issue, such as the installation of AGC.
