Subject: Docket No. UT-031472
WECA v. LocalDial

Dear Ms. Washburn:

We received a letter from the attorney for Washington Exchange Carrier Association, Richard Finnigan, dated November 7, 2003, that was addressed to the Commission. In his letter, Mr. Finnigan makes several statements regarding intervenor Broadband Communications Association of Washington ("BCAW"). We are counsel for BCAW.

Because Mr. Finnigan's letter was not styled as a motion or request for determination, we understand that it requires no response. However, BCAW's lack of a substantive response to the letter should not be construed as either agreement or disagreement with Mr. Finnigan's statements.

Very truly yours,

Brooks E. Harlow
