Re: Withdrawal of Preproposal Statement of Inquiry
WUTC Docket UG-120715

Dear Ms. Radcliff:

The Washington Utilities and Transportation Commission (Commission) filed a Preproposal Statement of Inquiry (CR-101) regarding the safety of natural gas distribution systems on May 18, 2012, at WSR # 12-11-090. The Commission has decided not to proceed with this rulemaking proceeding and requests that the CR-101 published in WSR # 12-11-090 be withdrawn.

On December 31, 2012, the Commission issued, to all interested persons in the rulemaking docket, a Commission policy on accelerated replacement of pipeline facilities with elevated risk. The Commission filed on January 8, 2013, for publication in the state register, a notice regarding the policy statement.

Sincerely,

STEVEN V. KING
Acting Executive Director and Secretary
