RE: *In the Matter of the Application of Superior Waste & Recycle, LLC, For Authority to Operate as a Solid Waste Collection Company in Washington,*  
Docket TG-181023

Dear Judge Pearson:

On April 9, 2019, the Commission issued Order 01 in Docket TG-181023, which contained the procedural schedule for the case. The procedural schedule set the deadline for response testimony as June 14, 2019 for Commission Staff (Staff), Waste Management, and Superior Waste & Recycling (collectively “the Parties”). On June 12, Staff informed Staff counsel that the witness preparing Staff’s response testimony had become unavailable due to medical issues and would not be able to meet the June 14 deadline. After discussing the matter, the Parties agreed to continue the response testimony deadline to June 28. Therefore, the Parties request a continuance of the response testimony deadline to June 28, 2019, such that all of the Parties’ response testimony would be due on June 28, 2019.

Sincerely,
