Dear Residential Customer,

This is to notify you of a proposed rate change for residential customers in the Rabanco LTD, DBA Seatac Disposal areas of King County, DBA Republic Services of Kent. Should the Washington Utilities and Transportation Commission (Commission) approve our request customers will experience adjustments to all services provided by Seatac Disposal as outlined in the table below.

As you may know, it has been nearly four years since our last general rate case. In that time Seatac Disposal has experienced increases in costs that are key to delivering our services; including labor, fuel and maintenance costs. In addition, the company continues to invest in new assets to ensure it can deliver the safest, most efficient service possible. **If approved, the proposed rates will become effective July 1, 2019.**

Residential Service	Service Frequency	Monthly Rate Current	Monthly Rate Proposed	Increase/(Decrease) (\$)	Increase/(Decrease) (%)

Yard Waste 96 Gal Toter	EOW	\$9.99	\$13.44	\$3.45	34.54%

The proposed rate increases for our residential services range from 34.54% to 79.27% and not all residential services are listed above. Most customers will likely experience an increase of about 34.54%. Due to a continuing decline in the recycle markets this year we will need to increase recycling rates to cover the cost of collection and material processing.

If you have questions about the proposed rate increase you may contact the company at (206) 682-9735 or (800) 221-4508.

The commission has the authority to set final rates that may be either lower or higher from the company's request, depending on the results of its investigation. Commission staff will make a recommendation to the commissioners at an open meeting at Lacey City Council Chambers, located on the first floor of Lacey City Hall, 420 College St. SE, Lacey, Washington, at 9:30 a.m. on June 27, 2019.
