Re: UE-010436 and UG-010437 - Avista Utilities Low-Income Rate Assistance Program Report

Dear Ms. Maxwell,

On December 29, 2022, Avista Corporation, dba Avista Utilities (Avista or Company) filed its Low-Income Rate Assistance Program (LIRAP) Annual Summary Report (Report) for the program period October 1, 2021 through September 30, 2022. The Company has since found that the demographic information contained on page 8 of its Report did not contain the complete set of demographic information that was expanded for the 2021-22 program year and onward. As such, Avista has corrected this information and requests that the attached Report replace the December 29, 2022 filing, in its entirety.

If you have any questions regarding this filing, please contact me at (509) 495-7839, or Ana Matthews at (509) 495-7979.

Sincerely,

/s/ Jaime Majure
