

ICNU Data Request 22.3

Please refer to the rebuttal testimony of Patrick Reiten at 2-3. Please identify all eastern control area costs that made up the 14.3% Oregon rate increase and the California rate increase.

Response to ICNU Data Request 22.3

The eastern control area costs in the Oregon and Washington cases are those allocated under the Revised Protocol. The revenue requirement exhibit filed in each of these cases provides detailed cost allocation information. The exhibits are voluminous; the Company will provide copies of them if specifically requested.
