Re: In the matter of WUTC v. PacifiCorp.
Docket No. UE-152253

Dear Mr. King:

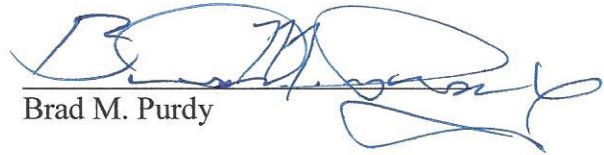

Enclosed please find an original and six (6) copies of the Curriculum Vitae of Shawn M. Collins (Exh. No. SMC-2) and Certificate of Service on behalf of the Energy Project in the above-referenced proceeding. The enclosed Exhibit SMC-2 was inadvertently omitted from the original packet filed on March 17, 2016 including, among other things, the Responsive Testimony of Shawn M. Collins (Exh SMC-1T). Furthermore, the missing exhibit SMC-2 was mistakenly referred to in the March 17, 2016 cover letter as Exhibit "SRC-2." Either way, and as stated, the exhibit failed to make it into the filing on March 17, 2016.

Thus, you should now have the correctly named Exhibit SMC-2 in the above-referenced Docket with an exhibit label near the upper right hand corner of the exhibit. The Exhibit SMC-2, this cover letter, and an associated Certificate of Service will be emailed to the Commission's Records Center and a hard copy will be sent there via overnight delivery to arrive on April 13, 2016. The parties will all be served with this letter, the Certificate of Service and Exhibit SMC-2 both electronically and via hard copy.

Hopefully, this should fully resolve what has, unfortunately, been a series of misunderstandings and mistakes. Thank you very much for your diligence, patience and tremendous assistance in dealing with this very uncharacteristic filing.

COVER LETTER, EXHIBIT SMC-2 TO THE RESPONSIVE TESTIMONY OF
SHAWN M. COLLINS AND CERTIFICATE OF SERVICE.

Sincerely yours,

Brad M. Purdy
