Re: Docket No. UT-031755

Dear Mr. Dittmore:

Broadview NP Acquisition Corp. ("Broadview"), has received the information request in the above-referenced docket. Please be advised that Broadview is a switchless reseller of long distance services in Washington and is not providing any facilities-based services in Washington. Consequently, Broadview is reliant upon its underlying carriers for any emergency responses and does not have any such emergency plans itself.

In the event there is an emergency and Broadview must be contacted, our Network Operations Center (NOC) functions 24 hours a day, everyday. The number for Broadview's NOC is 800-285-3170.

Please address any further questions regarding this matter to my attention. I can be reached at 215-293-8773.

Sincerely,
