Re: *UTC v. AT&T Communications*  
Docket UT-060962

Dear Ms. Washburn:

Enclosed for filing in the referenced docket are an original and ten copies of the proposed Settlement Agreement (with Appendix A), Narrative Supporting Settlement Agreement (with Attachment A), and Certificate of Service.

Because of the less complex nature of the docket, the parties suggest that an informal, in-camera review of the settlement would be appropriate, and that a formal settlement hearing with opportunity for public comment will be unnecessary.

To enable the provisions of the agreement to be put into place promptly, the parties urge the commission to consider the Settlement Agreement as soon as practicable, and strongly recommend that the commission adopt the Settlement Agreement in its entirety.

Sincerely,

MICHAEL A. FASSIO  
Assistant Attorney General
