Re: Rulemaking regarding the Washington Utilities and Transportation Commission's jurisdiction and regulation of community solar companies, Docket UE-171033

TO ALL INTERESTED PERSONS:

The Washington Utilities and Transportation Commission (Commission) has adopted a new chapter, WAC 480-103, Community Solar Companies. The Commission filed its Adoption Order with the Code Reviser on October 2, 2018. The Rules will be effective on November 2, 2018.

The Adoption Order and rules are available for inspection on the Commission's website at [www.utc.wa.gov/171033](http://www.utc.wa.gov/171033). If you are unable to access the Commission's website and would like a copy of these documents emailed to you, please contact the Commission's Records Center at (360) 664-1234, or email the Commission at [records@utc.wa.gov](mailto:records@utc.wa.gov). When contacting the Commission, please refer to Docket UE-171033.

RCW 34.05.325 requires that the Commission prepare and provide to commenters a concise explanatory statement about an adopted rule. To avoid unnecessary duplications, the Commission has designated the discussion in the Adoption Order as its concise explanatory statement. The Order provides a complete but concise explanation of the agency's actions and its reasons for taking those actions.
