REVISED TESTIMONY AND EXHIBITS

Re: Avista Rate Case
Docket Nos. UE-991606, UG-991607

TO PARTIES OF RECORD:

On June 1, 2000, Commission Staff filed revised pages 2, 6, and 10 to Exhibit ____ (JH-T), and Exhibit ____ (JH-4) of the Testimony of Joanna Huang.

The revisions filed by Commission Staff do not comply with Commission rules governing such revisions. WAC 480-09-736 (10) requires that the revised portions must be highlighted, in legislative style or other manner clearly indicating the change for comparison with the original submissions. Commission Staff is instructed to correct and refile these pages immediately on receipt of this letter.

This letter should serve as a reminder to all parties of the correct procedure for filing revised testimony and exhibits. This practice should be followed even with minor changes that involve only one page of an exhibit.

Very truly yours,

A handwritten signature in black ink that reads "Karen M. Caillé".
