DOCKET:	TP-190976		President, PMSA
REQUESTER:	Puget Sound Pilots	RESPONDER:	Pacific Merchant Shipping Association, Capt. Michael Moore

PSP DATA REQUEST NO. 154:

Is it PMSA's contention that every pilot licensed by the BPC for the Puget Sound pilotage district can safely and competently perform 222 annual assignments? If so, please produce all documents and/or analysis supporting your contention.

PMSA RESPONSE TO PSP DATA REQUEST NO. 154:

It is PMSA's contention that an individual pilot licensed by the BPC for the Puget Sound pilotage district can safely and competently perform 222 annual assignments. See Exhibit MM-22 for the evidence that an individual pilot licensed by the BPC for the Puget Sound pilotage district is capable of safely and competently performing 222 annual assignments.
