Re: *Washington Utilities and Transportation Commission v. Avista Corporation dba Avista Utilities*, Dockets UE-170485 and UG-170486 (*Consolidated*)

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 07 in Dockets UE-170485 and Docket UG-170486, Final Order Rejecting Tariff Sheets, Approving Partial Settlement, and Directing Company to File Tariff Sheets, in these dockets on April 26, 2018 (Order). The Order, among other things, rejected the initial tariff proposals by Avista Corporation dba Avista Utilities (Avista) but authorized the Commission Secretary to approve by letter, with copies to all parties, revised tariff sheets that comply with the requirements of the Order.

On April 27, 2018, Avista filed electric and natural gas tariff sheets. The purpose of the filing is to revise Tariff No. WN U-28 to reflect the \$10.8 million increase in electric revenue and Tariff No. WN U-29 to reflect the \$2.1 million decrease in natural gas revenue as specified in the Order. The Commission has reviewed the tariff sheets and they do comply with the revenue requirements of the Order. However, because of time constraints, the Commission has not yet finalized its review of Avista's compliance tariff filing prior to the rate effective date of May 1, 2018. The Commission expects Staff to continue its review of the compliance filing and notify the Executive Director and Secretary of any deficiencies in the filing, should there be any, as soon as possible.

Therefore, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of May 1, 2018.

Sincerely,

MARK L. JOHNSON  
Executive Director and Secretary
