ERRATUM TO 1ST DISCUSSION DRAFT RULES

RE: Rulemaking Relating to Clean Energy Implementation Plans and Compliance with the Clean Energy Transformation Act, Docket UE-191023

TO ALL INTERESTED PERSONS:

On May 5, 2020, the Washington Utilities and Transportation Commission (Commission) issued a Notice of Opportunity to File Written Comments on discussion draft rules in the above-referenced docket. It has come to the Commission's attention that the draft rules contained an error in WAC 480-100-6XX Definitions, on page 4. This notice corrects the error as follows:

"Equitable distribution" means a fair, but not necessarily equal, allocation of resources based on current conditions, which are informed by the assessment described in RCW 19.280.030(1)(k) from the most recent integrated resource plan.

Attached to this notice are the corrected discussion draft rules.
