

PACIFIC MERCHANT SHIPPING ASSOCIATION
RESPONSES TO PUGET SOUND PILOTS' DATA REQUEST NOS. 180-208

DATE PREPARED:	August 5, 2020	WITNESS:	Capt. Michael Moore, Vice President, PMSA
DOCKET:	TP-190976		
REQUESTER:	Puget Sound Pilots	RESPONDER:	Pacific Merchant Shipping Association, Capt. Michael Moore

PSP Data Request No. 180:

Identify each proceeding in which a pilotage ratesetting agency approved a pilotage tariff based upon a Revenue Per Assignment ratesetting methodology. In answering this request, identify the agency, docket number, and year in which the tariff was approved. Please also produce any order, memorandum or minutes expressing the rationale for reliance upon a Revenue Per Assignment methodology.

PMSA RESPONSE TO PSP DATA REQUEST NO. 180:

Objection: To the extent this request seeks information regarding proceedings in jurisdictions outside of Washington state, it is not reasonably related to the determinations that the UTC must make under Washington law regarding the current and proposed tariffs, and this is information equally available to PSP from third-party sources.

Subject to and without waiving said objections, PMSA answers as follows: To the extent this request seeks information regarding proceedings by the BPC (i.e., in Washington state), please see PMSA's response to PSP's Data Request No. 181.
