Based on discussions with Commission Staff, the Company is submitting revisions to the compliance tariff sheets filed on December 4th. The changes are related to general formatting, which provide consistency within all of Avista's tariffs. In addition, the Company added clarifying language to Schedule 98 (REC Revenue Mechanism) which specifies the interest rate from which the deferral balance will accrue interest.

Please note, there were no changes to any of the rates on the tariff sheets from the Company's December 4th compliance filing.

Hardcopies of this filing will be sent to the Commission and the Parties via overnight mail. Please direct any questions on this matter to Patrick Ehrbar at 509.495.8620 or Joe Miller at 509.495.4546.

Sincerely,
