Re: Docket No. UT-033044 – Triennial Review  
Joint CLECs' Reply to Qwest's Response Regarding AT&T's Motion to Strike

Dear Ms. Washburn:

AT&T and Qwest have apparently discussed a resolution to AT&T's Motion to Strike under which the parties would file responsive testimony on February 2, 2004, with supplemental responsive testimony to be filed on or before February 20, 2004. The Joint CLECs are concerned that this resolution will lead to increased costs and inefficiencies for the parties in preparing responsive testimony.

In the alternative, the Joint CLECs propose that Qwest be required to respond to pending discovery regarding Ms. Torrence's Revised Direct Testimony by February 10, 2004. The parties would then file responsive testimony on February 13, 2004.

Thank you for your consideration of this matter.

Very truly yours,

Davis Wright Tremaine LLP

Mary E. Steele
